B.Tech, Computer Science & Engineering   2022 - 2026
Kalasalingam Academy Of Research And Education

CGPA: 7.64/10

Senior Secondary (XII), Andhra Pradesh   2022
Science

Resonance Junior College, Vijaywada

Percentage: 78.00%

Secondary (X), ANDHRA PRADESH STATE   2020
Narayana Junior School, Tadipatri

Percentage: 100.00%

PROJECTS

Food Express ↗
Jun 2025 - Present

Developed a responsive food ordering web app for college canteens using HTML, CSS, JavaScript, and Bootstrap. The app includes customer and admin logins with simulated OTP verification, menu display with images and prices, cart management, and order placement. Added front-end logic for auto-logout, real-time alerts, and a smooth flow from login to order confirmation. Designed with a scalable structure, it's optimized for mobile/desktop and ready for future backend integration.

AI for Detecting and Reducing Bias in Hiring
Jul 2025 - Present

Built an AI-powered system that anonymizes resumes and evaluates candidates purely on skills and experience. Leveraged NLP techniques to detect and remove biased language while maintaining context. Integrated fairness metrics to ensure unbiased candidate ranking and recommendations. The system also suggests resume improvements to enhance job relevance and applicant success.

SKILLS

- HTML
- Machine Learning
- Java
- CSS
- Deep Learning
- Python
- Effective Communication

EXTRA CURRICULAR ACTIVITIES

- Dedicated to building real-world projects focused on solving human-centric problems with practical and scalable solutions.
- Organizing College Events/Tech Fests
- Actively Participating in Hackathons and other technical events

ADDITIONAL DETAILS

- Secured first prize in the kare oss hackathon conducted in kalasalingam university.
